# About the HEFMA 2026 Conference

**Conference Theme:** Maturity of Facilities Management in Higher Education

**Dates:** 12–15 October 2026

**Venue:** University of Botswana (in Botswana)

## About Us

The Higher Education Facilities Management Association of Southern Africa (HEFMA) is a Non-Profit professional body representing facilities managers from 26 universities, 50 TVET Colleges and 5 other institutions of higher learning across the SADC region i.e University of Botswana, National University of Lesotho, University of Eswatini and University of Namibia. HEFMA serves as a platform for knowledge sharing, professional development, and strategic collaboration to improve the planning, operation, and maintenance of higher education facilities.

The HEFMA 2026 Annual Conference is a flagship event drawing delegates from universities, TVET colleges, SETAs, government departments, the private sector and international partners. This year's event will focus on fostering innovation in infrastructure, driving sustainable practices, and addressing critical skills development in facilities management. The conference will include keynote addresses, panel discussions, workshops, exhibitions, and site tours.

**Expected Attendance:** 250–300 delegates from across Southern Africa

### Target Audience:

- Higher education Executives and decision-makers,
- Facilities and Infrastructure Managers
- Built environment professionals
- Government and public-sector representatives

## Vision

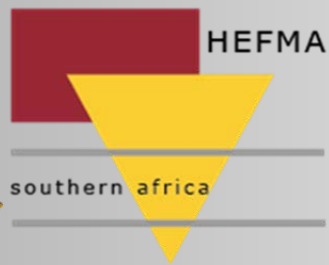

- An Association of choice for higher education institutions in Southern Africa, for the enhancement of best practice in facilities and infrastructure management.

## Mission

- To empower Facilities Professionals to develop, maintain and sustain high quality facilities and infrastructure for Higher Education Institutions.

## Why Sponsor the HEFMA 2026 Conference?

Sponsoring the HEFMA 2026 Conference provides an exceptional opportunity to:

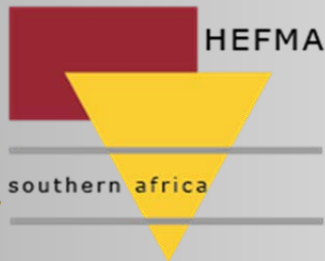

- Increase brand visibility and reach within the higher education and infrastructure sectors
- Showcase your programmes, initiatives, and successes
- Engage directly with key decision-makers and practitioners
- Demonstrate commitment to capacity-building and national development
- Position your organisation as a thought leader in skills development and innovation

As a valued service provider with a successful history and strong reputation in the higher education sector, we invite you to consider becoming one of the sponsors for this upcoming event. The event is the biggest gathering of facilities management professionals from higher education institutions across Southern Africa.

Your sponsorship will provide you with the opportunity to showcase your services on one of the exhibition stands, participate in co-branding activities, and receive positive media coverage for your organisation and services among Higher Education Facilities Management practitioners and Executives from different Universities, TVET Colleges, and sector delegates, including international delegates.

We will also provide an opportunity for your company to make a short presentation, depending on your sponsorship contribution (please see the value proposition listed below).

This sponsorship offers a unique opportunity to enhance your brand visibility, connect with industry professionals and future/potential clients, whilst demonstrating your dedication to advancing the Higher Education Sector and Facilities Management.
